

Dystopian Dialectical Journal Rubric

- 25 entries
- 4 pts EACH
- The breakdown:
 - Entry itself is 1 pt. Easy enough.
 - Suitable Quote is 1 pt.
 - ½ pt could be knocked off if I determine that you did not pick a quote that really demonstrates the dystopian characteristic or current connection. [Make sure it is abundantly clear without us having to have a tribunal as to why you think it fits... that really should be made clear by your analysis in the next column.
 - Analysis is 2 pts.
 - Must explain thoroughly [but succinctly... keep it to a 3-4 sentence MAXIMUM) why the quote is a suitable example of dystopian characteristic or how it is linked to current events. 1 line won't cut it.
